

2020 - 2021

7th Grade Supply List

We are excited for the upcoming 2020-2021 school year. In order to streamline the amount of supplies needed, we have put together a list of school supplies that students will need every day. *This list is subject to change throughout the summer.* We do not know the exact plan for next year. We will let you know when this list is finalized.

In their backpacks students should carry:

- **Planner:** organized by subject and date like this one: [Academic Year Planner](#)
- **Math:** two marble notebooks (if possible with graph paper), one folder
 - Calculator: [Ti 34 Multiview Calculator](#)
- **ELA:** two marble notebooks (one for reading and one for writing) and one folder.
- **Social Studies:** two marble notebooks and one folder.
- **Science:** two marble notebooks and one folder
- **Art:** sketchbook (5.5 x 8.5 or larger)
- **Spanish:** one marble notebook and one folder
- **PE:** one marble notebook and one folder
- **Advisory:** one folder
- ➔ **Instead of Folders for Each Class:** Some students like having a [File Folder](#) with a section for each class instead of one folder for each class. Just make sure it's not too big! You will need 8 individual folders or a File Folder with tabs.
 - Sections/Tabs should include: Math, ELA, Social Studies, Science, PE, Spanish, Art, and Advisory
- **Other Items for your backpack:**
 - Pencils, Erasers, and Pens
