Have a Good Summer!

The 2017-2018 school year is just about over now! We have seen our students grow tremendously over the past year, and we couldn't be prouder of all the hard work they have done! We hope everyone in the Yorkville East Community has a wonderful summer. We can't wait to see you all in the Fall!

PTA Announcements

PTA Elections - Our PTA Executive Board elections are over. The PTA Executive Board for the 2018-2019 school year is:

•**Co-Presidents:** Monica Marquez & Alison Spolar

- **Co-1st VPs:** Amy Zakarin & Felicity Xuereb
- **2nd VP:** Matthew Chook
- **Treasurer:** Eileen Wachter
- **Co-Secretaries:** Kathy Yellen & Venesha Cashdollar
- **Members at Large:** Christina Villani & Carol McGlynn

Weekly Reminders

Summer Assignments - Summer assignments have been distributed to students. Feel free to check in with your child about their summer assignment!

Attendance - As a reminder, attendance cannot be corrected after June 28th. Please contact Ms. Morales if you have any concerns about your child's attendance.

Class Corner

Students at Yorkville East accomplished a lot this week! Over dinner or while walking to the subway, be sure to ask your child about what they are learning in school!

6th Grade:

ELA: This week in 6th grade we read and discussed poetry. We also tried writing a poem of our own.

Social Studies: In 6th grade, students wrapped up their study of Ancient Rome and explored the infrastructures of Roman cities. Have a great summer!

Math: Sixth grade students have started a unit on statistics including examining the mean, median, and mode of data.

Science: 6th grade students explored class 1 levers!

Mandarin: Students learned about Dragon Boat Festival and reviewed other traditional Chinese festivals we learned over the year. Students also tasted Chinese tea from the choice of green tea, black tea and jasmine tea.

Physical Education: Students just finished learning about the foxtrot.

Art: 6th grade artists are finishing their invented creatures drawings that combine elements from 2 or more animals.

7th Grade:

ELA: This week in ELA, students finished and presented their historical fiction scrapbook projects.

Social Studies: Students worked hard in Social Studies this week. Have a good summer!

Math: In 7th grade Math, we learned about volume and cylinders. We also learned that the radius has more of an effect on the volume rather than the height.

Science: The 7th grade worked on their atomic model project this week.

Mandarin: Students worked on designing and creating menus using what they learned in the food and drink unit.

Physical Education: Students have finished their basketball unit and have been reviewing the various activities that we played all year.

Art: 7th grade artists are starting their celebrity Pop Art portraits.

8th Grade:

ELA: 8th Graders have been working on their podcasts. Have a good summer!

Social Studies: In 8th grade, students studied the Civil Rights Movement. Good luck in high school!

Math: You've all worked really hard this year! Have a good summer!

Science: Congratulations to the 8th graders on a great year!

Mandarin: Students learned about Chinese tea, watched how to make tea and tasted the tea from the choice of green tea, black tea and jasmine tea.

Physical Education: Students have finished their basketball unit and have been reviewing the various activities that we played all year.

Health: Students have learned about MyPlate and recently learned how to read a food label.

Art: 8th grade artists are continuing to work on their stop motion animations after visiting the Museum of the Moving Image.
